Dear MCA students!

This year 2023, Covid-19 is almost under control, the situation is almost the same as that of the influenza, and daily life has almost returned to the way it was before Covid-19, but the war which is between Russia and Ukraine has broken out, the cost of living has risen, and daily life has become much more difficult. We hope that peace will soon return to the world and people around the world will be back to their normal lives as soon as possible, and that next year will be a great year for all of you.

MCA will make every effort to make it a better year, and we look forward to your continued support and encouragement in the coming year.

Merry Christmas and Happy New Year!
