Since the Olympic had successful the end besides the COVID-19 situation. We are happily received the open gate announcement from November 8th. However, the Omicron variant of coronavirus is spreading quickly in several countries. We are sorry to notice by Japanese government decided to close the gate on November 30th, in order to prevent new virus to spread into the door gate. Hopefully that people all over the world will return to their normal lives as soon as possible and that 2022 will be a wonderful year for everyone.

We continue to do our best to make next year better for our school and we still look forward to your support and encouragement.
